

Be Porn Free! is presented as a biblical study on how to get free from porn. In this book you will find relevant Scriptures for your healing journey. I want you to know that you can live the life that God has for you. The Bible is God's Word and His will for our lives. If you are ready to be set free from porn, then this book is for you. This book is a Faith-Based Christ-Centered book and is designed to break the addiction of porn over your life.

Caleb Thomas is a licensed and ordained minister of the gospel of Jesus Christ. He is also a Licensed Mental Health Counselor and a Sex and Porn Addictions Recovery Coach. Caleb said, "I began my journey into finding out more about this major pandemic because many clients had this problem from young pre-teens to adults, both married and single. I truly wanted to help men who were struggling with this addiction."

Be Porn Free! is an introduction to getting set free from porn. It goes along with an online, more in-depth course on this subject. In the book you will find more details on how to sign up for this course and other resources to help you in your recovery.

May this book be a blessing along your journey of becoming "porn free." Remember what the Bible tells us in John 8:36, "Who the Son sets free is free indeed."
